Any owner of a dog or cat of licensing age (dog 7 months) (cat 6 months) who shall bring the same into the Township which dog or cat has been licensed in another state for the current year and bears a registration tag, and who shall keep the same or permit the same to be kept with the Township for a period of more than 90 days, shall immediately after the 90<sup>th</sup> day apply for a license and registration tag for the same. Any Person who shall bring or cause to be brought into the Township any unlicensed dog or cat of licensing age (dog 7 months) (cat 6 months) and shall keep the same or permit the same to be kept within the Township for a period of more than 10 days shall immediately after the 10<sup>th</sup> day apply for a license and registration tag for such dog or cat.

**Registering Your Pet:** Licenses are due by January 31<sup>st</sup>. You may purchase the licenses at the Municipal Building from the Municipal Clerk's office between the hours of 8:00 a.m. to 4:00 p.m. Monday through Friday. **Before licensing, check the rabies vaccination expiration dates for your pets. If vaccination expires prior to November 1<sup>st</sup>, dogs and cats must be re-vaccinated.** You may renew licenses by mail. If you renew by mail, just give us your pet(s) previous license number and send current rabies vaccination certificate(s), correct fees and a stamped, self-addressed envelope to

return your documents with your new license(s). For first time licensing, fill out the attached Registration Form and submit correct fees, etc. same as above.

**License fee** for sterilized dogs is \$8.20 and \$11.20 if not. The license fee for sterilized cats is \$2.00 and \$5.00 if not. If dogs and cats are spayed or neutered, present a statement from your veterinarian indicating your pet(s) has been sterilized in order to receive the \$3.00 deduction in the license fees.

If license(s) are not purchased by March 31<sup>st</sup> a late fee of \$10 will be assessed for each license issued after this date. ***Please license your pets by the March 31<sup>st</sup> deadline to avoid summonses and court fines. The annual dog/cat census will begin on or about April 1<sup>st</sup>.***

**Again, check the rabies vaccination expiration dates for your pets. If vaccination expires prior to November 1<sup>st</sup>, dogs and cats must be re-vaccinated.**
